Biggest Shoe Bargains Caused By the Biggest Shoe Sale We Ever Had

Quality vs. Price

Between quality and price, no wise person ever hesitates. Quality means good service and long service; it means never failing satisfaction and everlasting economy. Price is but the momentary, fleeting gratification of a thoughtless trait of the human mind; it is a whim; it lacks the element of permanent satisfaction.

Yet, price does seem to attract some people and knowledge of the thing bought is no deeper than on the surface.

The price of a Parsons-Souders article is but incidental. Quality and service are, and always have been and always will be, the prime consideration of every article that finds place in this store.

A Good Porch Shade Cost More and Pays to Buy

The moment the smell of grass is in the air, is the moment to put up the screens.

The days are growing longer and the sun is shining brighter, having more power, therefore, if you wish to enjoy your porch and the out-door, hustle your order in for porch shades and we will have them up in a jiffy.

We sell the Vudor shades because they are the best, and the best is none too good to stand all kinds of weather.

They come in dark rich green, mottled olive, and a mottled olive with brown. Price \$2.25 to \$7.50. Size 4 feet to twelve feet.

They have seven feet drop.

A Good Window of Beautiful Green Parasols

Nothing in the whole realm of color in parasols this summer equals "green." The quality is endless, and the fresh, quaint charms are unending.

There are many different shapes, most notably are the Tulip, Mushroom, Helmit, Nippon, and La Vogue. They are in silks, plain, and oh, ever so many different combinations, checks, stripes, flowered effects, and dots.

Prices range from \$2.00 to \$10.00.

You will certainly be attracted by a window display now being made.

WAIST NIGHT

Let Every Gentlewoman Come
For a New Waist Tonight

The new spring models are wonderfully dainty. They have a freshness and beauty that women will be eager to appropriate to their own use.

No other part of the apparel so effectively transforms the appearance as a new blouse. It seems like a complete new gown. All the latest and most effective new styles are represented in various new materials and in a charming variety of new colorings.

Wirthmor Waists \$1 Welworth Blouses \$2
Finer Silks and Cottons \$3 to \$10.50

Even Dresses Are
Being Made of the
New Cretonnes.

Any number of women are using the flowered cretonne for skirts, hats, bags and parasols, and the striped ones for sports skirts and even for entire dresses and suits. Appropriate patterns at 25c, 35c, 50c, 75c to \$1.25 a yard.

On Third Floor, drapery department.

A New Odd Size Suit
For Large Women
\$14.50.

Just received; made of wool poplin in a dark navy blue and black; the coat is a finger tip-length, conservative in cut with a touch of trimming that adds much and gives individuality.

The tailoring is good, the fit is perfect. They come in all sizes from 41 to 51 bust measure.

These New Redfern Corsets Make the Old Gown Look New.

"Perhaps it is an out-worn corset that makes your dress set so badly," was frankly told a customer who wanted to know how to improve her appearance.

Many a good dressmaker is blamed for the bad lines of a corset that has been worn too long. Everyone should be as fastidious about her corset as she is about the corset cover.

Women who feel uneasy about the appearance of her dress and suit, when they are worn over corsets that have lost their style, it will be a real pleasure to them and for us to fit one of these smart Redfern models. Late comers in the corset shop on the second floor.

We urge private fittings as the only correct way to get proper results. Redfern corsets in front and back lacing \$3.00 to \$5.50.

Children's Nightgowns Cut Full A'plenty 39c.

There can be no place in this store for the skimpy cut, poorly made gowns, and yet, most of the children's nightgowns are of this sort, and they may be, as for this fact that mothers are seeking the better kind here, of which we have a plenty in all sizes, 2 to 14 years.

Made of a good quality of Nain-sook with seams felled and daintily trimmed; price 39c. Another grade, no better but finer trimmed 50c.

Striped Sports Skirting Special 39c and 50c yard.

There are six different patterns in these skirtings. All extremely pretty and not too daring; also, none of them have been here before. Chiefly oyster white grounds with multi-colored stripes, a rare bit of good fortune to find these most popular skirtings here at 39c and 50c.

This is however, a small purchase and is limited to a certain number of yards.

A 4-thread Silk Lisle Stocking, 25c.

A bit the best we have ever had. The soles, heels and toes are reinforced and you may have white as well as black. They bear the yellow round ticket, which stands for the best always, all sizes from 8 1/2 to 10.

Women Shoes As Good as Money in the Bank

We said the other day, "one way to get rich is to buy low." Many women who wear shoes in sample sizes have certainly taken advantage of the low prices in this sale and the savings are as good as the money in the bank and it would be a pity for any woman to miss this golden opportunity.

Every pair fully worthy of our stamp of approval; every pair perfect; every pair is a sample pair, in size 3, 3 1/2, 4, 4 1/2 and 5. In each case the prices are less than wholesale cost.

Four special groups, \$2.00, \$2.25, \$2.50 and \$3.00.

A great variety of utensils can be had in "Pyrex" ware, such as casseroles in many sizes, from one to two and a half quart; round baking dishes in one to two and a half quart sizes; also bread pans, pie plates, round cake dishes, shirred egg dishes, oval "au gratin" dishes, round cocote, custard cups and ramekins.

Prices, from ramekins at 13 cents each, to casseroles at \$2.00 each.

American Dinner Services at Special Prices

We have been in the market recently for dinnerware and have made some special purchases at low prices from one of the largest potteries in this country. We have selected an extraordinary purchase of dinner services, the sets or individual pieces which we place on sale today, the savings being one-half on both the sets and open stock.

In all there are 1,150 pieces (including dinner set and matching individual pieces) providing a very little feast for the every day use of many homes.

Sets of 46 pieces, special \$4.50—a white and gold decoration consist of:

- | | |
|---------------------|-----------------------|
| 6 cups and saucers | 1 twelve-inch platter |
| 6 four-inch plates | 1 seven-inch nappy |
| 6 eight-inch plates | 1 covered dish |
| 6 fruits | 1 cream and sugar |
| 6 soups | 1 covered butter |

Glass is acknowledged to be the most sanitary material for any utensils requiring constant cleaning. "Pyrex" ware combines this very desirable quality, with the additional advantage of extra-quick-baking and high-heat capacity.

Women's New Sports Skirts Overwhelmingly Lovely

To see them is to know that this season to achieve a complete victory, it is safe to say that we never before saw such smart looking garments designed for sports wear alone; women are wearing them also for street, travel and in fact, for dress, and the variety is so great that almost any sort of combination is possible.

Young Women's Linen Suits Are Ready

Firm, cool linen make these sool summer suits.

They are far the best looking garments we have yet to show you. For their inspiration the makers used the best foreign models they could obtain, and certain smart cloth suits and the results are most effective.

Prices \$8.90, \$10.00, \$12.00, \$13.50 and \$15.00.
